

OVERVIEW

Founded in 1998, Global Internet Solutions has grown to become a leader in the web hosting industry. Our mission is to offer customers industry-leading Web hosting services and tools, coupled with superior customer support - at an affordable price. Our wide range of plans and options enables us to partner with you from the time you start out through every stage of your business' growth.

World Class Technical Support

Only Global Internet Solutions can offer true 24 hour support staffed by Unix experts available 24 hours a day, 7 days a week, 365 days a year. Combining this back-end technical expertise with our industry leading Quality Assurance Program, Global Internet Solutions reinforces its belief and motto that quality assurance is the essential element to running a successful company.

Technology You Can Count On

Our top-notch development team is continuously upgrading our systems with the latest technology, creating new tools and features to make your web presence as easily maintained and reliable as possible. Our State-of-the-art operation centers are equipped with systems to maximize reliability and security, and to ensure your site is operational 24 hours a day, 7 days a week, 365 days a year.
